INSTRUCTIONS FOR COMPLETING:

TRICARE® Dental Program CONUS Claim Form

OMB No. TBD
OMB approval expires XX-XX-XXXX

Information for Sponsor/Patient

1. Complete your section of the claim form (items 1–21 and 36-37) in full to assure positive identification and prompt payment. Please print or type. **Note:** Item 15, Sponsor Social Security number (SSN) or Department of Defense Benefits Number (DBN), **must be completed** for the claim to be processed.
2. **Patient consent.** By signing item 36, the **patient** (or parent or other authorized representative) consents to the use and disclosure of information relating to the services provided by the dentist or health care provider for the purpose of treatment, payment, or health care operations, including submission of a claim for dental benefits to a provider or administrator of dental benefit plans. This consent will be valid for as long as the patient is entitled to coverage under a dental plan. You are entitled to a copy of this consent. This consent may be revoked in writing and delivered to your dentist or health care provider, but such revocation will not affect any action taken in reliance on this consent prior to revocation. Upon receipt of revocation or refusal to sign a consent, your dentist or health care provider may decline to provide or continue treatment. If this consent is signed by the authorized representative of the patient, the relationship of the authorized representative must be provided in item 36.
3. The patient, if 18 or older, must sign the claim form in item 37.
4. You can arrange for the TRICARE Dental Program (TDP) contractor to make payment directly to the dentist by completing item 38. If you wish to receive payment directly, do not complete item 38. In either case, a dental explanation of benefits paid will be sent to you.
5. A pre-treatment estimate is recommended for treatment plans involving onlays, single crowns, implants, prosthodontics, periodontics, orthodontics, and oral surgery services. This allows the dentist and the patient to know, prior to receiving treatment, if the proposed service(s) will be covered by the dental care plan and the anticipated amount of payment. The completed claim form should be sent to the address below prior to the commencement of the course of treatment. The TDP contractor will notify you of your benefits payable.

Dental coverage is subject to specific limitations and exclusions.
Please visit www.tricare.mil/dental or call your TDP contractor for more information.

Information for Attending Dentist

1. Benefits are payable in accordance with four classes of services. Therefore, it is important that a separate fee is indicated for each item of service performed.
2. A pre-treatment estimate is recommended for treatment plans involving onlays, single crowns, implants, prosthodontics, periodontics, orthodontics, and oral surgery services. The completed claim form should be sent to the address below prior to the commencement of the course of treatment. The TDP contractor will review the claim (and any supplemental information required) and notify your patient of the benefits payable.
3. If the address where treatment was performed is different from the mailing address in item 48, complete item 56.
4. Generally, the TDP contractor does **not** request X-rays where standard filling materials are used. Pre-operative X-rays are requested **only** in connection with prosthetics, fixed bridgework, or cast restorations. Occasionally, the TDP contractor may request X-rays that relate to other dental services.

   In an effort to reduce your costs and inconvenience, the TDP contractor requests your cooperation in submitting X-rays **only** in the above-mentioned circumstances or when specifically requested. This will also enable the TDP contractor to expedite the processing of a pre-treatment estimate.
5. If authorized by the sponsor/patient, benefit payments will be made directly to you.
